## Nifty 50 Industry-wise weightage

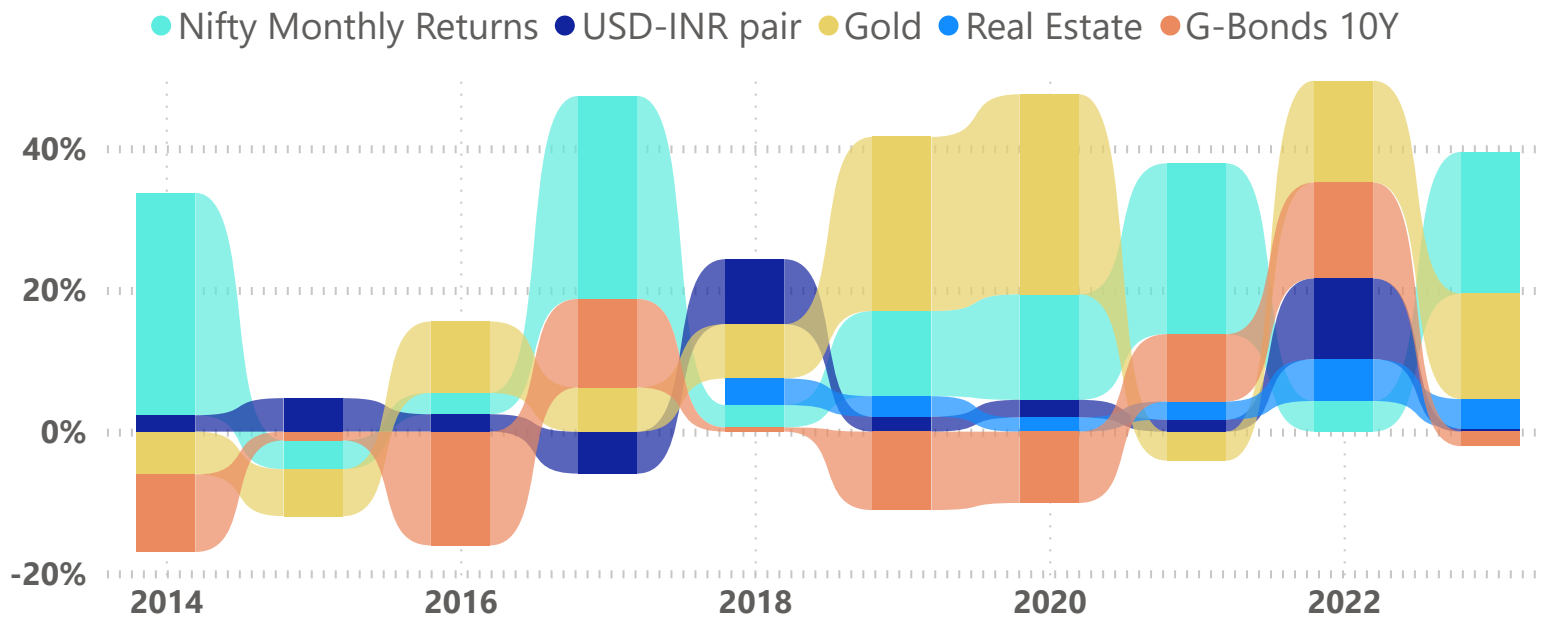

## Nifty Monthly Returns (LHS) vs Absolute Return (RHS)

## 60 days Rolling Average of Nifty Returns

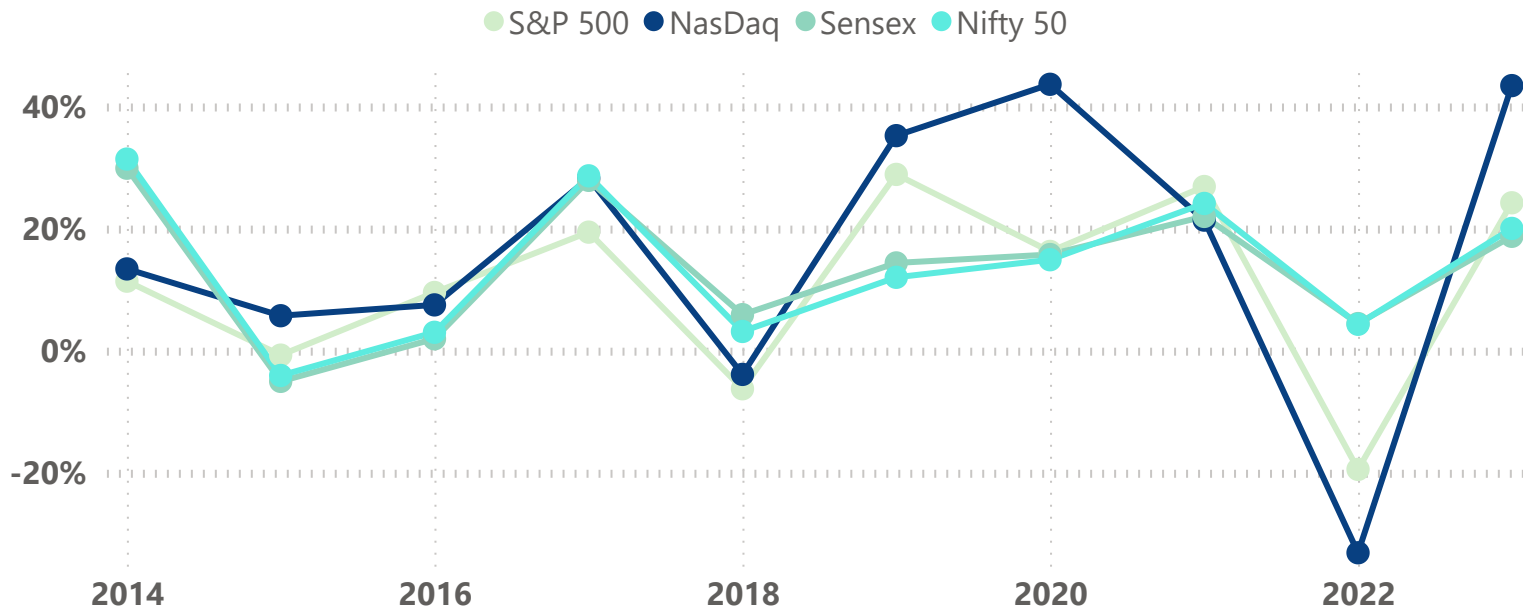

## YoY Returns - Nifty 50 vs Various Asset classes

*Nifty has consistently outperformed other asset classes, particularly in 2014, 2017, 2021, and 2023. Gold follows in the second position, trailed by Government Bonds (G-Bonds) and Forex pairs. Real estate, based on performance data, shows relatively average returns in comparison to these asset classes.*

## YoY returns - Nifty 50 vs Global Indices

*Nasdaq has the strongest absolute returns over the years, followed closely by Nifty 50 and Sensex. While S&P 500 generally performs well compared to others, there are instances where it outperforms Nasdaq, Nifty 50, or Sensex.*
